CUSTOM ROSARY ORDER FORM

Use this form to request your unique rosary. Please print clearly. See the portfolio for pictures, item ID numbers, names, prices and related details (including special ordering options). Feel free to ask a store clerk for assistance. When you are finished, give this completed form to the clerk.

ASSEMBLED OR KIT?

Your rosary can be provided skillfully assembled, or as a kit with clear assembly instructions and tools. It takes about two hours and average hand dexterity to make a chain rosary. Check the box next to 'assembled' or 'kit with tools' (or 'kit without tools' if you already have tools for making chain rosaries). Write in the price from the price list.

CHAIN

Select the material for the rosary chain *and all other metal parts*. See the portfolio for the current pricing and details on these different metals. Check the appropriate box and write in the price.

CENTER

Select the center model from those in the portfolio. It will be made from the same metal as the chain. Print the center's ID number, name and price on the order form. *The center is customary, but optional.*

CRUCIFIX

Select a crucifix model from the portfolio. It will be made from the same metal as the chain and the center. Write the ID number, name and price of the crucifix on the order form.

OPTIONAL ENGRAVING

Note any desired engraving on the order form, up to 12 characters including spaces. Write in \$10 for the price if you select engraving. *Some crucifixes cannot be engraved.*

BEADS

Select the Hail Mary and Our Father beads from the portfolio. There are 53 Hail Mary and 6 Our Father beads on any typical five decade rosary. It is customary for the beads to all be the same size, or for the Our Father beads to be slightly larger than the Hail Mary beads. We have crystal, glass, stone and other beads.

If this rosary is intended as a gift commemorating a special life event, consider the creation of heirloom rose petal beads. Birthstone beads are also available.

Write in the bead ID number, name and price next to the Our Father and Hail Mary bead entries.

OPTIONAL MEDAL

We can include an attractive holy medal, attached to the rosary between the center and crucifix. See the table in the portfolio for a list of saints and related vocations. There are also medals for special events like Baptism, Confirmation and First Communion. If you would like a medal added to the rosary, please write the medal's name and price.

SUBTOTAL, QUANTITY AND TOTAL

Add the prices in the right hand column to get the subtotal. Multiply the subtotal by the number of rosaries you would like to order to arrive at the total.

CONTACT INFORMATION

Fill in your contact information *exactly as it should appear on a mailing label* and give this order form to the store clerk along with the rest of today's purchases. Some stores accept payment upon delivery of the rosary. Some may request a complete or partial payment in advance.

It usually takes 2-4 weeks for us to complete your rosary — 1-2 weeks for kits. The store will contact you when the order is ready.

WARRANTY

All parts and workmanship are guaranteed against defect.
